DIGEST AND PURPOSE

Currently, the federal Farm Credit Act of 1971 preempts state laws from restricting or impairing the ability of Farm Credit System institutions from performing the functions for which they were established. The 76th Texas Legislature passed the Mortgage Brokers Licensing Act (MBLA) to extend regulatory oversight to a certain group and exempted several organizations that are already subject to federal regulations, but failed to exempt Farm Credit System institutions. S.B. 585 adds a Farm Credit System institution to the list of entities or employees of entities to which MBLA does not apply.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
